Dover United Church of Christ

June , 2021

Open and Affirming Covenant

The congregation of Dover United Church of Christ, in the spirit of Christ's invitation, "Look, I have set before you an open door," welcomes all who seek to know and share God's love. We affirm the dignity and worth of every person and celebrate the diversity in which God created us, each in God's image and loved by God. We declare ourselves to be an Open and Affirming congregation, welcoming persons of every race, language, gender, age, sexual orientation, gender identity or expression, ability, and economic status into full membership and participation in the life, worship, rites and sacraments of this church. We commit to model a community of faith that works toward openness and understanding, offering justice, reconciliation, healing and wholeness of life for all people.

*Welcome one another, therefore, just as Christ has welcomed you, for the glory of God.
(Romans 15:7)*

Happy Father's Day! June 20!

For Father's Day, send Pastor Eva a picture of your father, his name, and one gift you received from him by June 13 so we can recognize/remember him on Father's Day. Send them to reveso@verizon.net or text them to 717-418-9627. We invite women to bring in paper products to honor the men of our congregation for New Hope Ministries that Sunday. Bring paper towels, toilet paper, Kleenex, etc. for families in need!

Worship Time Changes to 9:00 AM—May 30

We will change worship time back to 9:00 a.m. for the summer, allowing families more time to gather for summer activities after church. Faith formation will not be held on Sundays during the summer. Plan to take a few minutes after worship for something to drink or plan to go to brunch with a group after worship.

Remember, outdoor worships will be held on May 30, June 13, July 4 and August 15! Sunday, September 5, the Carousel Pavilion at Brookside has been reserved for Dover UCC for worship and a picnic! Plan to fellowship this summer with the church!

MISSION STATEMENT OF DOVER UCC...gathered in joyful community as children of God and brothers and sisters in Christ, we commit ourselves to the hearing, believing, and doing of His Word, shaping our lives by supporting one another, worshipping God, promoting justice and spreading the Gospel.

Reflections from the Pastor

Have you noticed the colors around us lately? The green on the trees, the iris in purples and whites and yellow, the azaleas in pinks and reds? The peonies coming into bloom...the yellow of the coreopsis? Is it just me? Or do the colors strike you as more brilliant this year? I believe it has to do with the pandemic...not that Covid made the colors any different, but living through a time of isolation and too much death makes the coming of Spring even more sweet. I don't know about you, but it makes me appreciate the earth more and the Creator who brought about such diversity.

Psalm 24:1-2 reminds us, "The earth is the Lord's and all that is in it, the world, and those who live in it; for he has founded it on the seas, and established it on the rivers." We are called to be stewards of this earth and co-creators with God to care for this amazing creation. Pope Francis said in 2015, "Everything is related, and we human beings are united as brothers and sisters on a wonderful pilgrimage, woven together by the love God has for each...and which also unites us in fond affection with brother sun, sister moon, brother river and mother earth."

We have been looking at climate change in our Sunday Faith Formation group. You don't think that's an issue of faith? If the earth truly belongs to God, and God has given that gift of creation to us to use wisely, then indeed, how we care for this planet AND how we care for each other is indeed a matter of faith! I may feel like I cannot change what oil companies and natural gas companies do or feel like I can even change my legislator's mind, but we CAN and NEED TO MAKE A WITNESS in the care of God's creation.

With that in mind, we will be doing several things this summer. We will worship out in creation once a month. (In case of rain, we will move indoors.) Our Sunday Morning Faith Formation class has agreed to organize recycling as a faith community. We plan to begin working with Penbrook UCC in recycling things that they already are recycling. If we are really successful, we will launch our own program. We will do a book study on Tuesdays in the Park that centers on the process of grounding ourselves in the world to find God. And we will relaunch Tuesday Morning Chatters in Cousler Park the last Tuesday of the month. You will also be invited to share several Mindfulness Walks with me during the spring, summer and fall.

It is a time when we need to reimagine the church as the community of faith and witness to God in our world. Find a way to connect! If you are struggling with connecting back with the faith community, let me know and we can talk about that. It won't be easy for some of us, but together, we CAN!

DOVER UCC'S 2021 GRADUATES!

Lillian Hazel Holliway, daughter of Duke and Hannah Holliway, and granddaughter of Craig and Mary Duttera will graduate from Cannon School in Concord, NC in May, 2021 with her high school degree. Lilly is a member of the National Honor Society, National Spanish Honor society, National English Society, and is a Peer Tutor in “Eye-to-Eye” program. She also practices Krav Maga, martial arts. She plans to attend the University of North Carolina, Asheville.

Julie Renee Fox, daughter of William and Beverly Fox, graduated from Indiana University of Pennsylvania on May 8, with a Bachelor of Science in Nursing. She will be completing her clinicals this summer. She has several job offers.

Ethan Thompson, grandson of Ron and Linda Thompson, will graduate from York County School of Technology on June 8. His future plans are to join the United States Army Reserves.

Adult Faith Formation will meet again in the fall.

Thursdays In The Park

This summer, instead of meeting at church for a Bible Study, I will be meeting anyone who would like to read and discuss the book *Grounded: Finding God in the World* by Diana Butler Bass. The book is available through www.amazon.com for anywhere from \$3.99 to \$25.76. There will be five sessions, all Thursdays at 4:00 p.m. — June 24, July 8, July 22, August 5 and August 19. We will begin at Ketterman Park in the pavilion, and then move to other parks, depending on who comes. (Bring the name of your favorite Park.)

There is a major transformation that is happening in the world in how people understand and experience God. “The distant God of conventional religion has given way to a more intimate sense of the sacred that is with us in the world. This shift, from a vertical understanding of God to a God found on the horizons of nature and human community, is at the heart of a spiritual revolution that surrounds us — and that is challenging not only religious institutions but political and social ones as well.

Grounded explores this cultural turn as Bass unpacks how people are finding new spiritual ground by discovering and embracing God everywhere in the world around us—in the soil, the water, the sky, in our homes and neighborhoods, and in the global commons. Faith is no longer a matter of mountaintop experience or institutional practice; instead, people are connecting with God through the environment in which we live. *Grounded* guides readers through our contemporary spiritual habitat as it points out and pays attention to the ways in which people experience a God who animates creation and community.” Join in this emerging spiritual revolution, find a revitalized expression of faith, and change the world!

How Can You Care for God’s Creation?

We are called to be caretakers of God’s Creation! Seems like too big of a job? How about beginning with determining your carbon footprint? <https://www3.epa.gov/carbon-footprint-calculator/> This link will walk you through figuring out how your living is impacting the earth. Then consider what you can do to reduce that footprint.

Recycling is one thing we can all do. If you recycle in the ways that Penn Waste offers, you have only scratched the surface. Council has agreed to allow the Sunday Morning Faith Formation group to begin to help us recycle. There will be several containers in the fellowship hall for various recycled materials. Did you know you can recycle oral care products (toothpaste tubes and caps, dental floss containers) and deodorant containers? You can also recycle shaving-related products (razor blades and packaging), makeup container, CD’s, DVD’s and their packaging, aluminum can tabs and glossy catalogs and magazines....and so much more. We will be distributing a list of about 15 different recycling items we can take. Make sure you get a list! They will be distributed at church, but if you want one mailed to you, call the office. If you are willing to assist with this ministry, let the pastor know.

IT'S TIME TO BEGIN AGAIN!!!

We are finally able to think about restarting our music activities for the Fall. So I am looking for some volunteers.

BELL CHOIR

We have several positions open for new ringers. I am planning a workshop for new ringers on Tuesday June 15 at 7:00 PM. During this workshop, you will learn basic techniques for bell ringing. Also I will include basic music skills (notes, timing, etc.) We will probably need more nights but can plan them on June 15. Anybody can do this.

You do not need a musical background. Any questions please talk to me or any member of the choir. Once we get back to our regular schedule, we will meet Tuesday nights except for Guild meeting Tuesdays. Previous bell choir members, our first practice will be July 20 at 7:00.

CHANCEL CHOIR

Members are needed for our choir. We need all voices. The only criteria needed, is that you like to sing. Please consider joining us. Practice will begin Thursday September 2 at 7:00 PM. We meet every Thursday at 7:00. If anybody has music, folders, Worship and Rejoice Hymnals (red), please return them to me so that I can inventory them and prepare for the Fall.

Please consider helping us with one of these choirs or both. It is fun. During the past year, I realized how much music is a part of the church service. Thank you for considering this and hope to see you soon.

Sue Storm, Music Director

Wanted: Additional helpers for the Church's Livestream Team

As we all know, our church has relied on Facebook Livestreaming to bring the Sunday service into our homes since the beginning of the pandemic. Many months later our congregation continues to rely on Facebook Livestreaming and Uberconference for our worship services.

The Livestream Team is in the need of additional volunteers with this ministry. Being a technical genius is not a necessity. Some familiarity might be helpful. Training will be provided. Please consider helping us. If you would be willing to help with this ministry or have questions or interest, please contact Pastor Eva, or Cathy Dietrich (717-792-9630).

New Technology Team Forms

Instagram, Facebook, Twitter, Website, and filming services...just a few of the things that churches MUST do if they are to keep up with reaching out to those who need to find a community of faith and to keep the community of faith in touch with one another. In light of that, the Empowerment Team has asked Annette Masenheimer to contact some persons we know are interested in technology...but if you have not been approached and are interested...WE NEED YOU! Please contact Annette (amase2025@gmail.com) if you are interested! Requirements are to be interested in promoting the church and a willingness to learn.

FROM THE OPEN AND AFFIRMING MINISTRY TEAM

On Sunday, June 6, those who watched the five-part PBS documentary series, *Asian Americans*, are invited to join in a discussion of the series following the worship service. If you have not seen them yet, the link is www.pbs.org/weta/asian-americans/watch/. There are 5 sessions, watch one or all, each one just under an hour in length. Episode 1: Breaking Ground; episode 2: A Question of Loyalty; episode 3: Good Americans; episode 4: Generation Rising; and episode 5: Breaking Through. The discussion will focus on the central question of the series, *As America becomes more diverse and more divided while facing unimagined challenges, how do we move forward together?*

Wikipedia defines **gay pride** as “a positive stance against discrimination and violence toward lesbian, gay, bisexual, and transgender people to promote their self-affirmation, dignity, equality rights, increase their visibility as a social group, build community, and celebrate sexual diversity and gender variance.” LGBTQIA+ Pride Month is celebrated each year in June to honor the 1969 Stonewall uprising in Manhattan, which is considered the turning point for the Gay Liberation Movement in the United States. Celebrations include festivals, parades, concerts, workshops and memorials. Here are five reasons why Pride events are for **everyone**:

1. Your LGBTQ child, sibling, parent, grandparent or friend will appreciate knowing that you are an ally who is proud of them.
2. Participating in Pride events can make you a better ally by educating yourself and sharing that information with others.
3. Pride events are good for the community, showing that you live in a loving and welcoming place.
4. Pride demonstrates strength in numbers, showing that millions of people believe in full rights and equality for LGBTQ people.
5. Pride activities are fun and help to energize people to keep pushing equality forward!

The Rainbow Rose Center, York County’s LGBTQIA+ resource center, will virtually host York County Pride (formerly Equality Fest) on Saturday, June 5, via a live YouTube stream. Dover UCC is once again support this event with a financial contribution. For more information about York County Pride or the Rainbow Rose Center, visit www.rainbowrosecenter.org. Please consider joining this virtual event.

The Jewish Community Center will host a Pancakes for Pride event on Sunday, June 6, 2021, at 11:00 a.m. to 2:00 p.m. The cost is \$10.00 for a Brunch Box, which includes three pancakes, fresh fruit cup, rainbow sprinkles, syrup, and butter. Pre-order is required by June 1 by contacting Adriel Resh at aresh@yorkjcc.org.

Suicide Survivor Support Group: Dover UCC hosts a suicide survivor support group the first Tuesday of the month in the Council room at 6:30-8:00 p.m. This group can meet face-to-face or remotely but you **must register** first either through Facebook, their website or calling Cindy. Cindy Richard (717) 227-0048 crichard@penn-mar.org for more information.

Thank You!

Many of you have been faithful in sending in your offerings each week even when we have not been meeting in our building. That has made a world of difference as we pay the bills that are still coming in and strive to care for our staff by continuing to pay them. **Please remember our monthly mission offering—Hoffman Homes for Youth.** If a check is to be divided, mark in the memo how it is to be divided. Offerings can be mailed in, paid by your bank's bill paying service, or dropped in the mail slot at the church. The mail is picked up each day and offerings are safely kept for deposit which is still done each week. Thank you for your faithfulness in giving!

Dear Dover Family, From my first visit to Dover UCC, I was welcomed with love and openness. I remember preaching only a week after I became a member and your gracious comments. Thanks so much for walking with me in my discernment and ordination journey. Thank you for such a lovely celebration on Sunday, April 18 and the lovely stole and plate and chalice. I shall cherish them. You are bless to have Eva as your shepherd AND to be of a warm company with each other. May God continue to pour Blessings on you. Love,

Sue Schmidt

Empowerment Team Moves Forward

The Empowerment Team continues to work on a plan for moving forward beyond Covid and looking toward the future of Dover UCC. The Team had been encouraged to find a time that we celebrate a re-launching of our ministry in the community. Our target date is August 2021! We want to celebrate for an ENTIRE Month! Ideas to celebrate include: Christmas in August! (we had wanted July but the York Fair in July may make that more difficult); Pastor Eva's 40th Anniversary of her ordination, Blessing of Back Packs for New Hope; a table at Dover Fair; a community event like coffee house or game night or dinner and a movie night! OR—ANY idea you have with which you would be willing to help!

Our purpose as a church, after lots of feedback: **"We welcome all to join the journey faithfully following the example of Jesus and sharing God's love."** Everything we do should be aimed toward this purpose. So we have a LOT of love to share in August. Will YOU HELP? The future of any church is bleak without the service of many...Please speak to anyone on the Empowerment Team if you would like to help (Neil Stayrook, Craig and Mary Duttera, Annette Masenheimer, Barb Kimple, Nicki Shepski, Patrick Swatsworth and Pastor Eva)

Are You Willing to HELP????

As we have been absent from gathering, we forget what needs to happen to make the “community” part of church effective! We need people who would like to see their ministry in offering hospitality by greeting people at the door, operating the elevator, and participating in worship. We also need people to learn how the PowerPoint presentations get made and to operate the PowerPoint and learn how to record the services live on Facebook. Also needed are monthly visitors, people to set up when we have outdoor worship, people to pick up folks and bring them to church, people who are passionate about caring for the earth through recycling and MORE! We need bell ringers (both church and handbell), people to offer special music, organizers of our September 5 picnic and volunteers for the June pancake breakfast! Look for opportunities to fulfill your passion in ministry! God calls every one of us to participate...What's YOUR CALL?

Community Pancake Breakfast

Do you enjoy digging into a yummy stack of freshly made pancakes served up with a helping of sausage or bacon, coffee and juice? Then you should join us at Dover United Church of Christ on Saturday, JUNE 19 - 8:30 – 10:30 a.m. for a free community pancake breakfast. Volunteers are needed! Sign-up sheet is posted outside the conference room. We will be expecting **YOU!**
